

Please do not tamper with the Wisconsin Do-Not Call list. My husband and I both work 3rd shift and all those unsolicited calls were a real nuisance. Trying to sleep during the morning and again in the early evening was almost impossible with the phone constantly ringing. If I have canceled a service with a company or a bank it means only one thing. I no longer want to want to hear from them for any reason. Trying to force me to put up with their nonsense in my own home is not to be allowed. If I want their attentions I'll call them!
